

A photograph of a modern hospital reception area. The foreground shows a white and light wood reception desk. In the background, there are orange chairs, a digital display showing '012 09:13', and a red wall. The text 'Parcours du patient' is overlaid in yellow, and a list of steps is overlaid in white.

## Parcours du patient

- Consultation (médecin traitant-chirurgien-anesthésiste)
- Programmation
- Appel de la veille
- Accueil et préparation
- Intervention
- Salle de réveil et retour en UCA
- Aptitude à la rue
- Sortie accompagnée
- Appel du lendemain

## Critères d'éligibilité

- Chirurgie
  - programmée
  - de courte durée
  - sans risque majorée (hémorragique et respiratoire)
  - aux suites simples
- Critères sociaux
  - compréhension du patient
  - aptitude à observer les prescription médicales
  - personne accompagnante
  - accès rapide à un téléphone
- Critères médicaux
  - Age
  - état du patient ASA 1 ou 2

A photograph showing two surgeons in an operating room. They are wearing blue scrubs, surgical masks, and caps. They are focused on a patient's arm, which is the site of a surgical procedure. The surgeons are using various instruments, including forceps and scissors. The scene is brightly lit, highlighting the surgical site.

## **Chirurgie vasculaire**

- Varices : éveinage
- Artères : dilatations (angioplasties)
- Hémodialyse : Fistule artério-veineuses

A photograph showing two surgeons in an operating room. They are wearing blue scrubs, surgical masks, and hairnets. The surgeon on the right is wearing loupes (magnifying glasses). They are focused on a patient's hand, which is held in a blue drape. The scene is brightly lit, highlighting the surgical site.

## Orthopédie et traumatologie

- Arthroscopie du genou
- Canal carpien
- Maladie de Dupuytren

## Chirurgie viscérale

- Hernies inguinales
- Coelioscopie
- Chirurgie anale

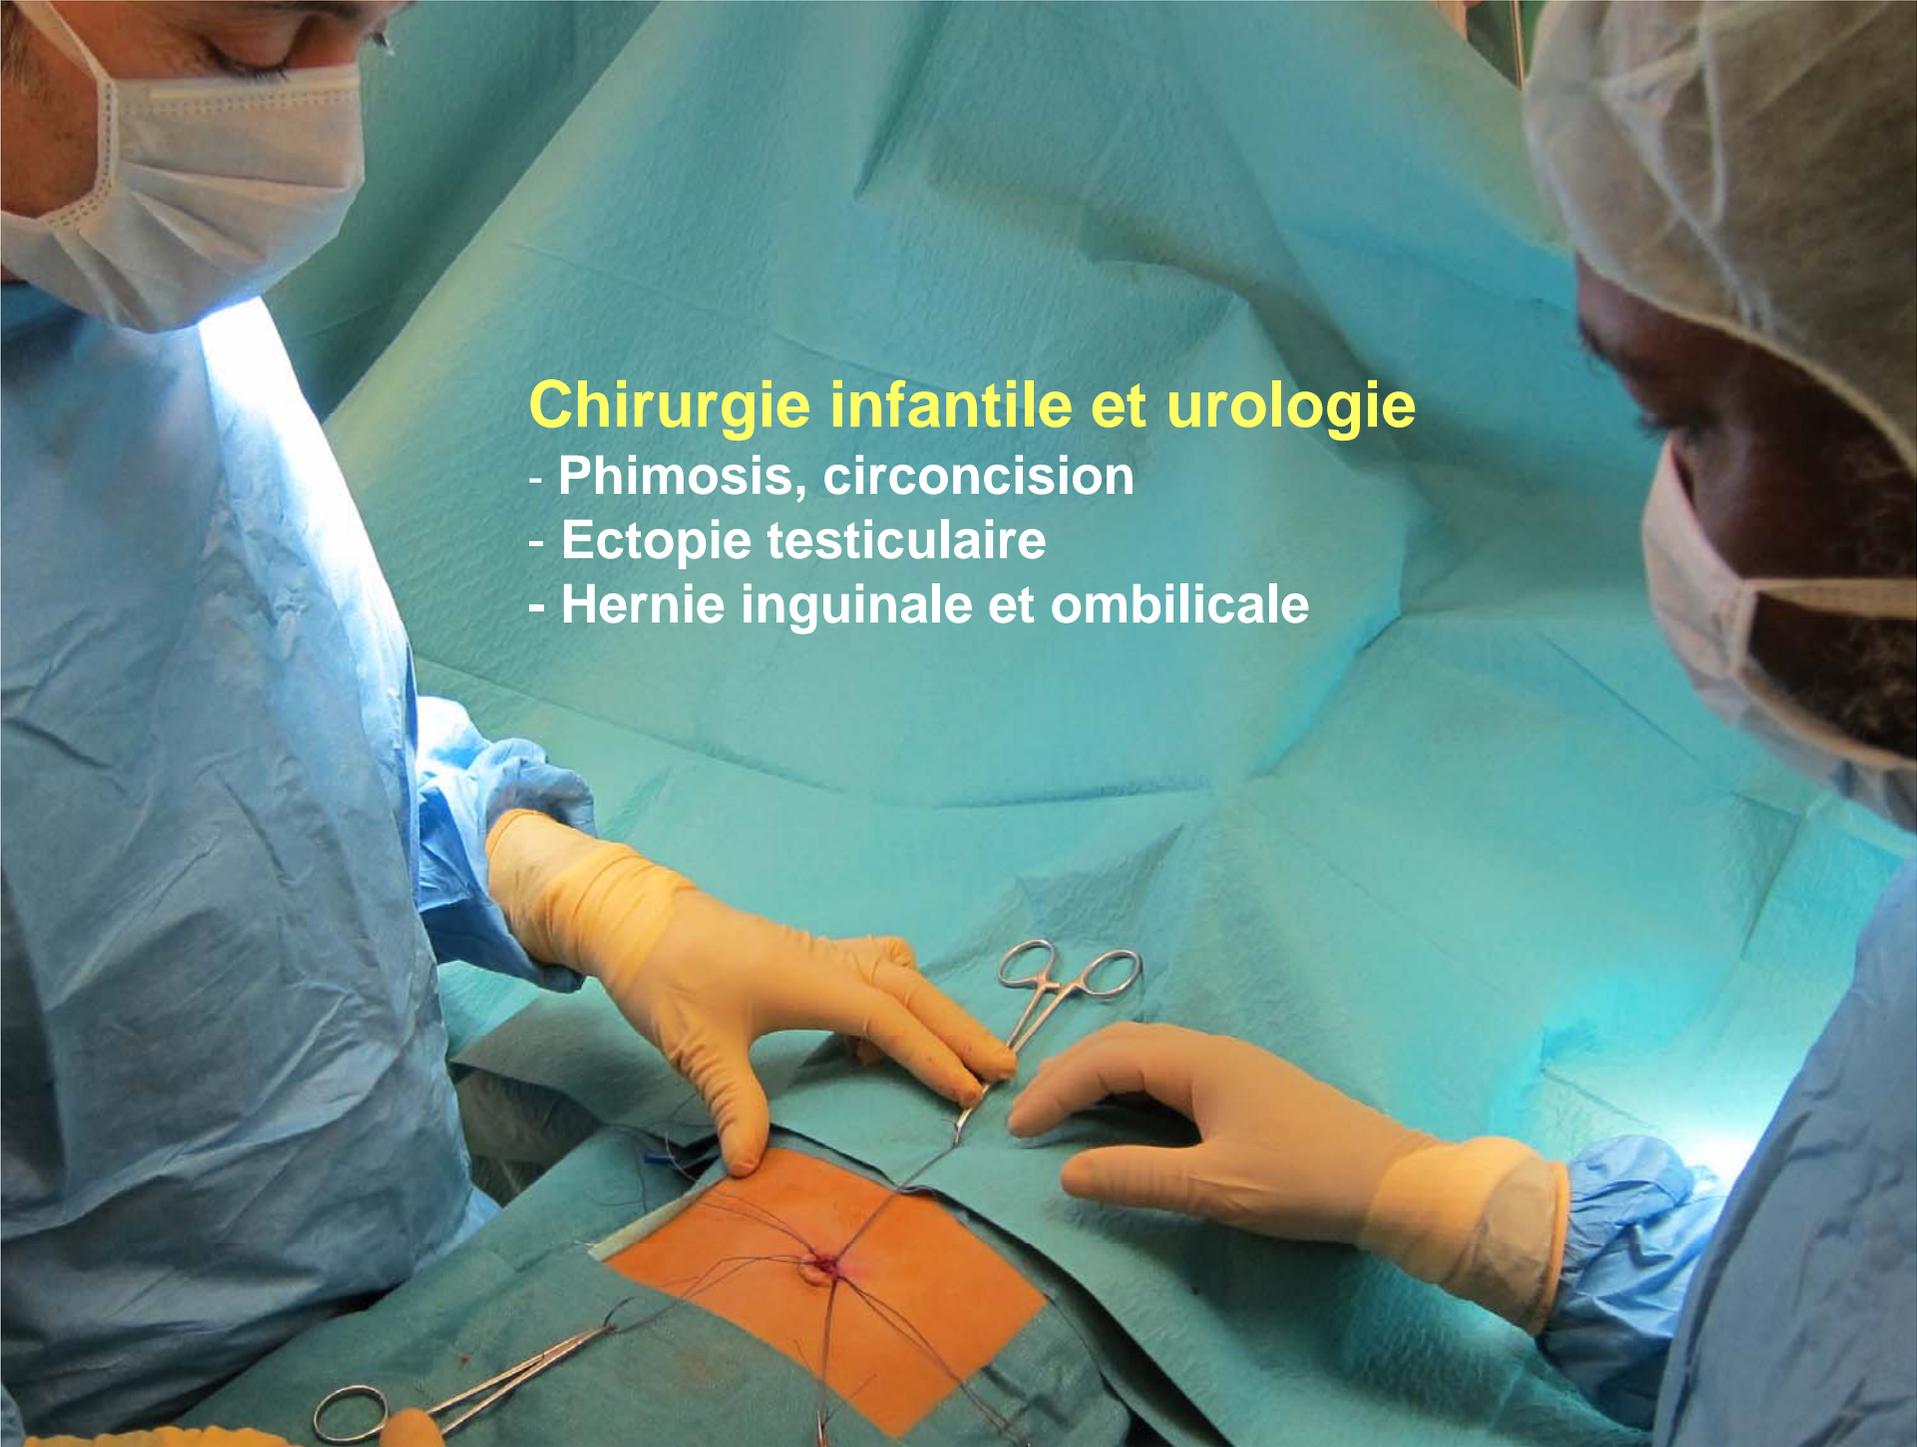

## **Ophthalmologie**

- Cataracte
- Chirurgie rétinienne
- Paupières

## Gastro-entérologie

- Endoscopies digestives
- Fibroscopies
- Coloscopies
- Echoendoscopies

A photograph of two surgeons in an operating room. They are wearing blue scrubs, white masks, and yellow gloves. They are focused on a surgical site, with one surgeon using forceps. The scene is illuminated by bright surgical lights, and the background is a sterile, teal-colored drape.

## Chirurgie infantile et urologie

- Phimosis, circoncision
- Ectopie testiculaire
- Hernie inguinale et ombilicale

## **ORL**

- Drains trans-tympaniques
- Amygdales
- Fracture des os du nez
- Endoscopies laryngées

## Gynécologie

- Hystérocopie
- Incontinence urinaire
- Interruption de grossesse
- Tumeur du sein

## Stomatologie

- Dents de sagesse
- Extractions multiples

**Aptitude à la rue** (autorisation chirurgien + anesthésiste)  
**Sortie du patient** (personne accompagnante)
